A Personal Appeal

In late October or early November 2018 for whatever reason, probably because of my interest in history and a need to understand why this world is the way it is, I stumbled upon a view of recent world history that hitherto I had only heard hints of. I am not somebody particularly interested in "conspiracy theories" and the like and know that the internet has given voice to every bizarre type of theory and thought. However when I found links to sites from researchers and historians backed with a vast amounts of primary evidence regarding subjects most of us thought we knew, I was intrigued.

The subjects in Question:
The origins of Communism
Capitalism and International Banking
Zionism
Jewish Influence on the above three issues
Adolf Hitler
National Socialism ("Nazis")
Germany
The First & Second World Wars
Winston Churchill
Joseph Stalin
Franklin D. Roosevelt
The "Holocaust"
Control of Hollywood and mainstream media

The things I found out from these historians, researchers and documentary makers was of such a shock, almost everything we have been led to believe about The Second World War, Hitler, National Socialism and so on were complete lies and could be 100% proven to be! I was devastated, heartbroken and angry. I went through sleepless nights trying to come to terms with it all. But would go through it all again to know what I now know. I understand this will all sound like some crazy "conspiracy Theory", but just look into it yourself.

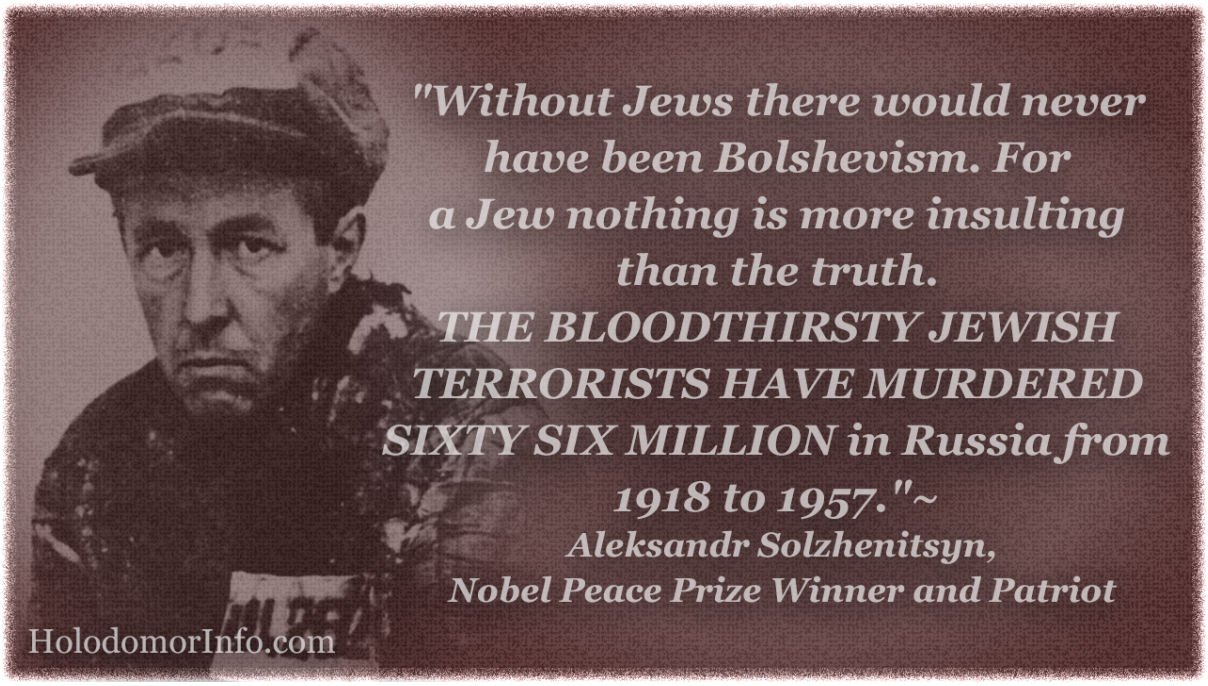
David

What follows is some key points to historical events from the 20th century through to today. Much of it will come as a tremendous shock to most people, from whom this history has been hidden.

The Jewish Origins of Communism

Most people today believe Communism to be simply a political movement, though terribly flawed, that grew from intellectuals whose motive was to create a fairer world with equality. Yet few know of its true origins and that it was Jewish at it core. Below is taken from "The Jewish Revolutionary Spirit" by E. Michael Jones:

"The Talmud has led to revolution. You don't have to be religious to be talmudic. Karl Marx was an atheist, but according to Bernard Lazare, he was also "a clear and lucid Talmudist," and, therefore, "full of that old Hebrew materialism which ever dreams of a paradise on earth and always rejects the far-distant and problematical hope of a garden of Eden after death." (p. 99). Marx was the quintessential Talmudist and the quintessential Jewish revolutionary, and as such he proposed one of the most influential false Messiahs in Jewish history: world communism. Baruch Levy, one of Marx's correspondents, proposed another equally potent false Messiah, namely, the Jewish Race. According to Levy, the Jewish people taken collectively shall be its own Messiahs… In this new organization of humanity, the sons of Israel now scattered over the whole surface of the globe… shall everywhere become the ruling element without opposition…. The governments of the nations forming the Universal or World -Republic shall all thus pass, without any effort, into Jewish hands thanks to the victory of the proletariat…. Thus shall the promise of the Talmud be fulfilled, that, when the Messianic epoch shall have arrived, the Jews will control the wealth of all the nations of the earth."

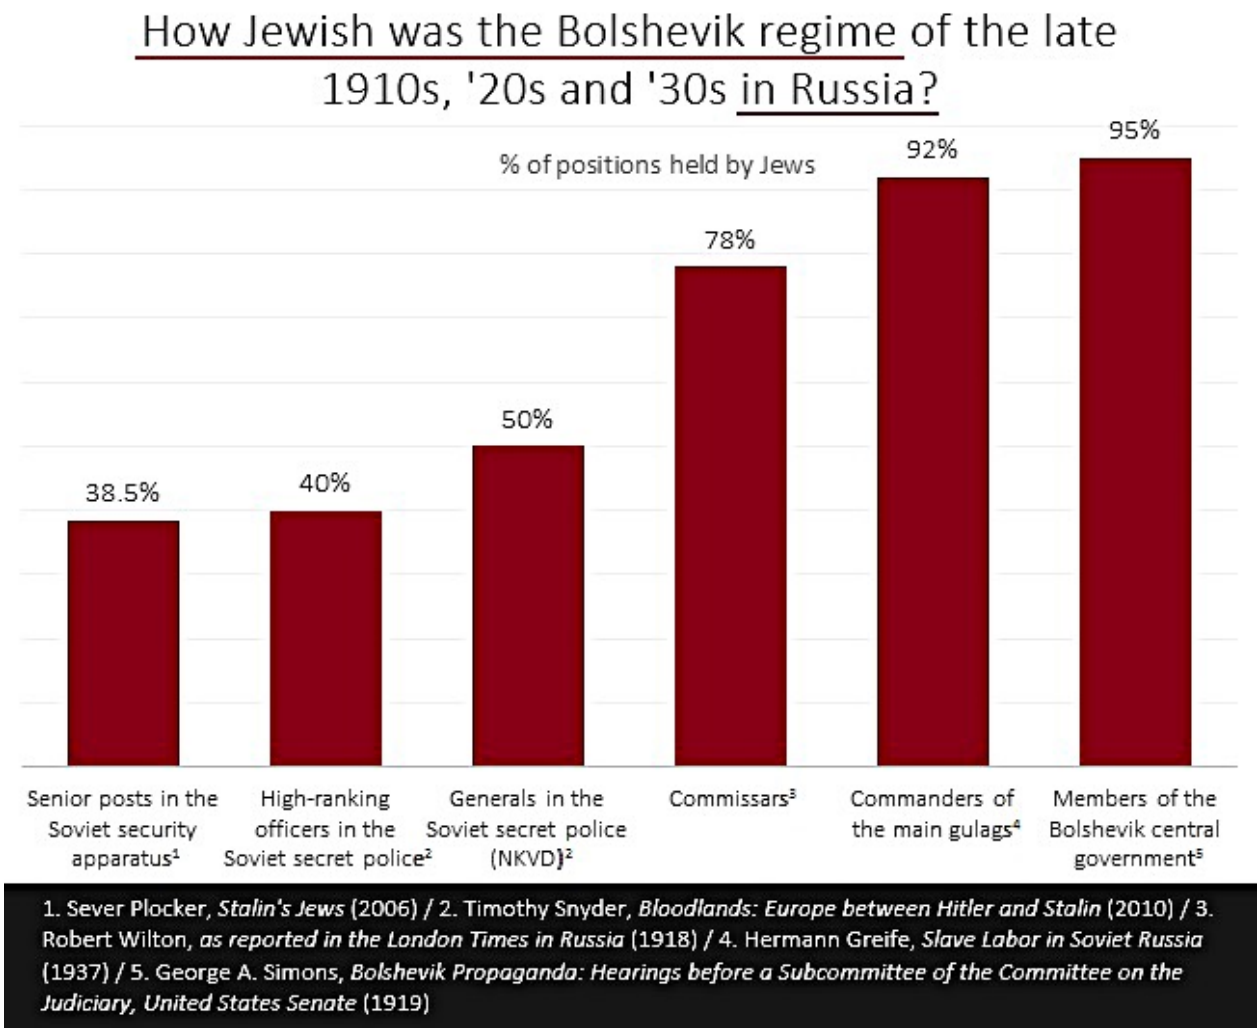


"You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the "Russian Revolution." It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators." – Aleksandr Solzhenitsyn (1918-2008), Nobel-Prize-winning novelist, historian and victim of Jewish Bolshevism (Marxism).

A Taboo Subject

Although officially Jews have never made up more than five percent of the country's total population, they played a highly disproportionate and probably decisive role in the infant Bolshevik regime, effectively dominating the Soviet government during its early years. Soviet historians, along with most of their colleagues in the West, for decades preferred to ignore this subject. The facts, though, cannot be denied.

Look at this chart. At each increase in power and authority within the early Bolshevik/Communist
regime the more Jewish it becomes, until it is virtually entirely Jewish



Jewish/Bolshevik Mass Murdering Criminal Trotsky in his own words

Trotsky admits the true aim of Bolshevism - The mass murder of the Russian people and the imposition of a hellish left-wing tyranny

Trotsky (Bronstein) said:
"We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word 'red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall became a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence."

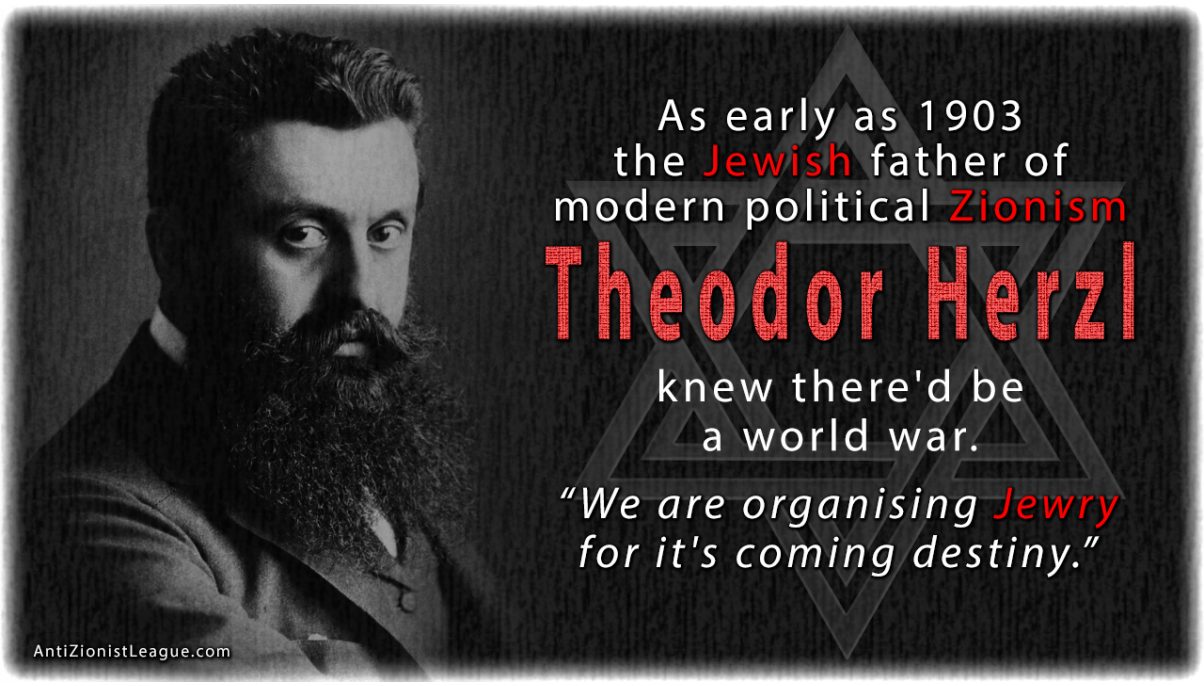
From the 'Memoirs of Aron Simanovich', quoted in The Nature of Zionism by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst

Zionism, the other arm of the Jewish World domination

Also starting in the 19th century was another Jewish movement call Zionism.

Theodor Herzl (May 2, 1860 – July 3, 1904) was a Jewish journalist and the father of modern political Zionism. Herzl was born in Pest, the Kingdom of Hungary (today the eastern half of Budapest, then a separate city) to a Jewish family. In 1896, Herzl published the book Judenstaat (The Jewish State). Herzl also assembled the first Zionist congress in Basel, Switzerland, in 1897 of which the protocols are purported to be the minutes.

"The wealthy Jews rule the world; the fate of the governments lies in their hands. They start wars between countries, and when they wish, the governments make peace. When the wealthy Jews sing, the nations and their leaders dance along, and meanwhile the Jews get richer!" (Published by Herzl in Deutsche zeitung)



Balfour Declaration, the document that will change the World

The Balfour Declaration was the British declaration of support for the idea of a Jewish ‘homeland’ to be created on the former Ottoman territory of Palestine. This declaration was very carefully worded, it did not give the Arabs political rights, it did not stipulate what the boundaries of Palestine were and it used the word ‘homeland’ which had not existed in law until then.

This took place in November 1917, when the war was at a stalemate and looked like it would end before it started. The Jews promised that if Britain gave support for the idea, then Jews around the world would help Britain win the war. They did this in Germany by staging strikes in the munitions factories and in America by using their influence to bring the country into the war. This is euphemistically described in Wikipedia as the declaration being ‘good propaganda for the Jews around the world’.

Jewish/Bolshevik Mass Murdering Criminal Genrikh Yagoda

Genrikh Yagoda

Russian-born jew Genrikh Yagoda was appointed by Stalin as head of the NKVD, the Soviet secret police, from 1934 to 1936. He was one of the founders of the GULAG concentration camp system.

Genrikh Yagoda ordered the deaths of at least 10 million, by starvation, worked to death on construction projects and in Gulags, shot singly, or in mass executions. He, like the other Jewish/Bolshevik leaders, was driven by a hatred of Europeans and Christians.

Ironically as there is no honour amongst these Bolshevik criminals, Genrikh Yagoda himself was later arrested by Stalin and put to death.

Hitler comes to power in Germany, turns the country around, and takes on the Banks.

In the 1920's and early 1930's Germany was drowning in debt. Countless homes and farms were lost to speculators and to private (Jewish Controlled) Banks. Many Germans lived in hovels and were starving.

Hitler's state-issued value based currency was a direct threat to the wealth and power of the private central banks, and as early as 1933 they started to organise a global boycott against Germany to strangle this upstart ruler who thought he could break free of private central bankers!

Yet within a few short years of coming to power in Germany, Hitler and his National Socialist government had completely transformed the country, from a nation in crippling debt and almost 7 million unemployed to full employment and the highest standard of living in the world!

Jewish world leaders declare “Holy War” on Germany 1933!

“Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler’s people.” – Daily Express, March 24, 1933.

DRAMATIC ACTION

"Daily Express" Special Political Correspondent.

ALL Israel is uniting in wrath against the Nazi onslaught on the Jews in Germany.

Adolf Hitler, swept into power by an appeal to elemental patriotism, is making history of a kind he least expected. Thinking to unite only the German nation to race consciousness he has roused the whole Jewish people to a national renaissance.

The appearance of the swastika symbol of a new Germany has called forth the Lion of Judah, the old battle symbol of Jewish defiance.

Fourteen million Jews dispersed throughout the world have banded together as one man to declare war on the German persecutors of their co-religionists. Sectional differences and antagonisms have been submerged in one common aim—to stand by the 600,000 Jews of Germany who are terrorised by Hitlerist anti-semitism, and to compel Fascist Germany to end its campaign of violence and suppression directed against its Jewish minority.

World Jewry has made up its mind not to rest quiescent in face of this revival of medieval Jew-baiting.

The "New York Times" this morning says a list of a thousand German immigrants who have come to the United States during recent years has been compiled by an overseas Nazi organisation, the object being to use these people for Nazi propaganda in the United States.

SPECIAL SESSION

The organisation of Jewish youth in Britain is organising demonstrations in London and the provinces during the week-end.

The Board of Deputies of British Jews, representing the entire Jewish community in Great Britain, is meeting in special session on Sunday to discuss the German situation and decide on what action is to be taken to counteract the attacks on their German fellow Jews.

When the West Riding County Council issued £1,000,000 of 3½ per cent. stock at £99 per cent. last week they obtained £14,000,000 in fifteen minutes.

Yesterday Middlesbrough asked the public to subscribe to £1,000,000 of its 3½ per cent. stock, and raised the price to £99 10s. per cent.

The lists were closed in five minutes, during which time applications had been received for £20,000,000.

HIGHER WAGES FOR STEEL WORKERS

AN INCREASE OF THREE SHILLINGS A WEEK

BRIGHT SPOT IN A BLACK TOWN

THE "Daily Express" has sent a special representative on an unusual mission. He is touring the north in search of highwages. In his tour he is going to tell the facts about all classes of wages, high and low. He is going to show how low wages reduce the morale of the community. He is going to show how courageous spending rests favourably throughout the community.

In his first dispatch it is revealed that the steel masters of Middlesbrough have been able to make a gesture in the cause of high wages.

Fitters in steel works have recently received an increase of 3s. a week. Their wages are not high, but this is a sep in the right direction. It is a bright spot in an otherwise black town—brought low by wage cuts and false economy.

CUTS THAT KILL

The Powell Duffryn Steam Coal Company of South Wales increased its profits by £100,000 last year.

Mr. E. L. Hann, the chairman and managing director, told shareholders at yesterday's annual meeting that this had not been achieved by a policy of wage reductions.

In fact he revealed that the earnings of their employees were higher than the average of the coalfield.

New "Sweep" Bill In The Dail

MR. DE VALERA AND STATE CONTROL

SECRET MEASURE

"Daily Express" Special Correspondent.

DUBLIN, Thursday.

WHILE Mr. Jack O'Sheehan, the official announcer of the Irish sweepstake draw, was dividing the remnants of the latest Irish lottery prize fund between lucky ticket-holders in the Plaza Ballroom to-day I was listening to an Under-Secretary of the Free State Government introducing a Bill which may change the whole future, scope, and purpose of these Irish hospitals lotteries.

NO CLUE

A mysterious measure entitled "The Public Hospitals Bill, 1933," appeared on the agenda for this afternoon's meeting of the Dail.

The Bill was set down for formal introduction, and a motion to this effect was moved in a six or seven-words speech by Mr. Sean O'Kelly, the Minister of Local Government.

His brief remarks gave no clue to the

MR. MacDONALD EXPLAINS HIS TOUR

"PEACE CAN BE KEPT IN EUROPE"

MR. RAMSAY MACDONALD faced a crowded House of Commons yesterday afternoon when he spoke about his visits to Paris, Geneva, and Rome, and his talks with Signor Mussolini.

The German, French, Italian, Polish, and Belgian Ambassadors were among a crowd of diplomatic representatives in their special gallery, and Mr. Bruce, of Australia, and other representatives of the Dominions also listened.

Mr. MacDonald, who was greeted with cheers, said:—

"I take the earliest available opportunity to inform the House regarding what happened while the Foreign Secretary and myself were at Geneva and Rome.

"We were asked by our colleagues here to go to Geneva, first because every report showed that there was a grave danger of immediate collapse of the Disarmament Conference; and we felt strongly that it might be possible to avert such a collapse, because we were not at all convinced that it was necessary that it should take place.

Mr. MacDonald.

"Therefore, the Foreign Secretary and I went to Geneva. Our first business was to discover how matters exactly stood, and for that purpose we interviewed for some two or three days the leading delegates from various nations.

"It is perfectly plain that the conference work had somewhat lost itself in details.

Hitler's good will towards Britain

Once chancellor, Hitler hoped to nurture good relations with England. In January 1934, he ordered the army to return the kettle drums of the Gordon Highlanders, which the Germans had captured on the battlefield in 1914. At a ceremony in the Berlin War Ministry, the Germans presented the former trophies to Sir Jan Hamilton to restore them to their regiment in Scotland. Hitler also concluded the Anglo-German Naval Agreement in June 1935, which imposed restrictions on German rearmament but not on England's.[5]

Hitler additionally gave a conciliatory interview to Ward Price, the European correspondent of the *Daily Mail: "On August 4, 1914, I was very distressed that the two great Germanic peoples, who had lived at peace with one another throughout all the disputes and fluctuations in human history for so many centuries, were drawn into war. I would be pleased if this unfortunate atmosphere would finally come to an end and the two related nations could rediscover their old friendship. The assertion that the German people are enthusiastically preparing for war is a misunderstanding of the German revolution. We find it simply incomprehensible. We leaders of the German nation had almost without exception been front-line soldiers. I would like to see the front-line soldier who wants to prepare for another war."*[6]

The Reich's economic revival and development of overseas markets for manufactured goods created competition for England abroad. Hitler's emphasis on German autarky and opposition to free trade, the system of unlimited international exchange of wares promoted by Britain, deepened the rivalry. The Führer's persistent disarmament proposals and endeavors to improve relations with neighboring states provided a basis for a continental unity that was contradictory to English balance-of-power diplomacy.

GERMANY AND OTHER FREE COUNTRIES ATTACKED

Edward Rydz-Śmigly, Polish warmonger

Poland carried out the first acts of aggression. In March 1939 Poland, already occupying German territory 'acquired' in 1919 invaded Czechoslovakia. In the years leading up to the war many thousands of ethnic Germans, who were living in or near Poland after the First World War, were massacred by Polish thugs (many of them Jews). In addition to this, during the months running up to the outbreak of war Polish armed forces repeatedly violated German borders. On August 31st 1939 Polish irregular armed forces launched a full scale attack on the German border town of Gleiwitz.

This behaviour on the part of the Polish leadership, most notably by Marshal Edward Rydz-Smigly, was encouraged by Britain and France who guaranteed Poland that they would declare war on Germany should she retaliate.

David R. Francis, United States ambassador in Russia, warned in a January 1918 dispatch to Washington:

Shocking British government letter from 1944

This is a February 29, 1944 letter to the BBC & higher members of the British clergy, from the British Ministry of Information.

It lays out in no uncertain terms the following:

- We all know the crimes committed by the Bolsheviks over the last 24 years in Russia and Eastern Europe
- It is inevitable they will do the same in Central Europe
- We will cover up their crimes by lying about the Germans
- The public is not as stupid as it was, our lies will be better
- You (BBC & Church) must spread these lies, convincingly

Sir,

I am directed by the Ministry to send you the following circular letter:

It is often the duty of the good citizens and of the pious Christians to turn a blind eye on the peculiarities of those associated with us.

But the time comes when such peculiarities, while still denied in public, must be taken into account when action by us is called for.

We know the methods of rule employed by the Bolshevik dictator in Russia itself from, for example, the writing and speeches of the Prime Minister himself during the last twenty years. We know how the Red Army behaved in Poland in 1920 and in Finland, Estonia, Latvia, Galicia and Bessarabia only recently.

We must, therefore, take into account how the Red Army will certainly behave when it overruns Central Europe. Unless precautions are taken, the obviously inevitable horrors which will result will throw an undue strain on public opinion in this country.

We cannot reform the Bolsheviks but we can do our best to save them -- and ourselves -- from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract public attention from the whole subject.

Experience has shown that the best distraction is atrocity propaganda directed against the enemy. Unfortunately the public is no longer so susceptible as in the days of the "Corpse Factory," and the "Mutilated Belgian Babies," and the "Crucified Canadians."

Your cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans and Japanese which have been and will be put into circulation by the Ministry.

Your expression of belief in such may convince others.

I am, Sir, Your obedient servant,

(signed) H. HEWET, ASSISTANT SECRETARY

The Ministry can enter into no correspondence of any kind with regard to this communication which should only be disclosed to responsible persons.

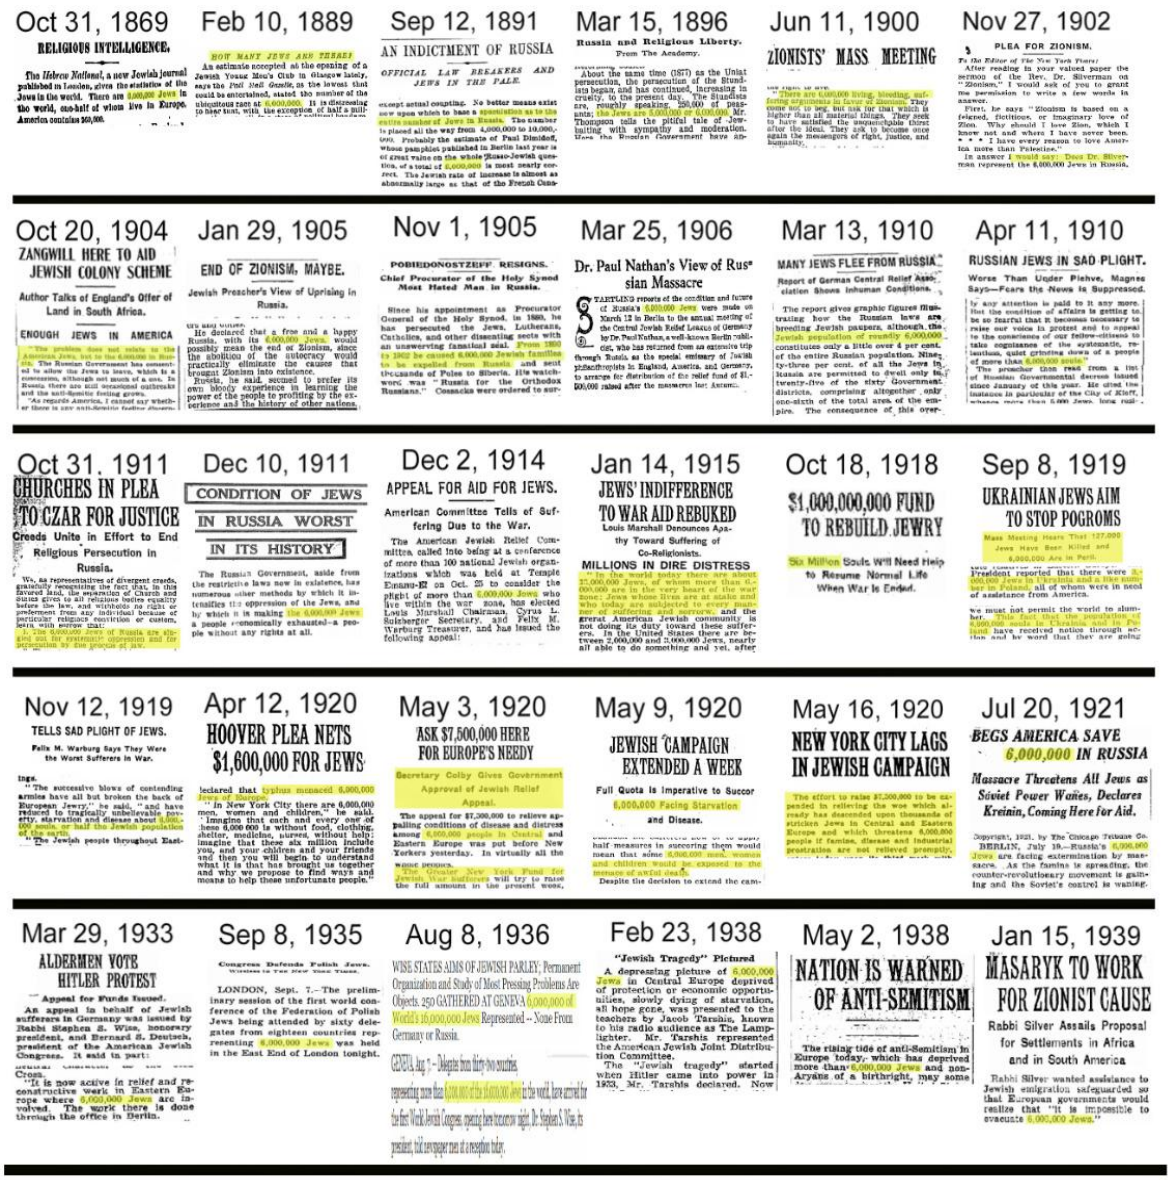
Did you know?

Reports of six million Jews being in imminent threat of death goes as far back as 1869 (at least). That is years before Hitler was even born! Ben Weintraub, a religious scientist, learnt from rabbis that Zionist interpreted a symbol in the Torah as meaning 6 million so that a particular verse read “You will return, but with 6 million less”. The reason for this myth? To justify taking Palestine as their homeland.



HOLOCAUST?

WWII is the most well-documented war in history, but not a single photo exists to show a gas chamber extermination program of jews & others.

Years of savage Allied bombing of Germany led to nationwide and work camp starvation by war's end...yet this photo of malnourished prisoners (right) is still used endlessly to 'prove' an organized genocide.

This photo (left), shown as 'evidence' of the holocaust, actually is a Typhus epidemic at Germany's Bergen Belsen Camp. Liberated in 1945, the Brits discover a horrible scene of Typhus, spread by lice, bulldozers buried the victims. An example of camp health conditions ruined by war, but not evidence of organized extermination. No photos of gas chamber victims exist, for the very good reason, it never really happened.

NO. THEY DIED OF TYPHUS and STARVATION caused by the allied bombing of German supply routes in WW2. British troops liberated work camp Bergen-Belsen in 1945 to find horrific disease spread by lice, yet these photos are promoted by jews as proof of GAS CHAMBER VICTIMS

In one leaflet distributed to Soviet troops he instructed them to;

"Kill! Kill! In the German race there is nothing but evil; not one among the living, not one among the yet unborn but is evil! Follow the precepts of Comrade Stalin. Stamp out the fascist beast once and for all in its lair! Use force and break the racial pride of these German women. Take them as your lawful booty. Kill! As you storm onward, kill, you gallant soldiers of the Red Army."

Between the months of January and August of 1945, Germany saw the largest incident of mass rape known in history, where an estimated two million German women were raped by the Soviet Red Army soldiers, as written by Walter Zapotoczny Jr. in his book, 'Beyond Duty: The Reason Some Soldiers Commit Atrocities'

In addition hundreds of thousands of these women and girls died as a result of these attacks. Many eyewitnesses recounted victims being raped as much as 70 times in that period.

The Canadian Jewish News further writes:

"Ehrenburg arranged to transfer his private archives to Jerusalem's Yad Vashem library and archive, while still alive"

LIBERATORS

Many in Eastern Europe who suffered terribly at the hands of the Jewish/Communist, welcomed German National Socialist troops as liberators.

"Atrocity propaganda is how we won the war. And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final.

Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth."

Sefton Delmer (1904-1979), former British Chief of `Black propaganda': Said after the German surrender in 1945, in a conversation with the German professor of International Law, Dr. Friedrich Grimm.

They might try to censor the internet, but too many people now know the truth

It's not just lies we were all told at school, or via "documentaries" and movies, about the "evil" Germans that are now being disproven. How often have you seen photos such as the top three? Well, the bottom three photos are the originals! Looks like the "Allies" were ALL-LIES!

"We have destroyed what could have been a good race, and we are about to replace them with Mongolian savages. And all Europe will be communist."

"It's said that for the first week after [the Soviets] took [Berlin], all women who ran were shot and those who did not were raped. I could have taken it had I been allowed."

"There is a very apparent Semitic influence in the press. They are trying to do two things: first, implement communism, and second, see that all businessmen of German ancestry and non-Jewish antecedents are thrown out of their jobs."

"We fought the Revolution in defense of the rights of man and the Civil War to abolish slavery and have now gone back on both principles."

General George S. Patton discovered the deceit behind the war with Germany.

Once it became obvious that Patton refused to perpetuate the lies, he was conveniently involved in an automobile accident. The veteran of two world wars appeared to be recovering from his injuries before dying of sudden heart complications. No autopsy was permitted.

Now let us turn our attention to more recent times…

OPEN YOUR EYES TO THE REALITY OF WHAT IS GOING ON

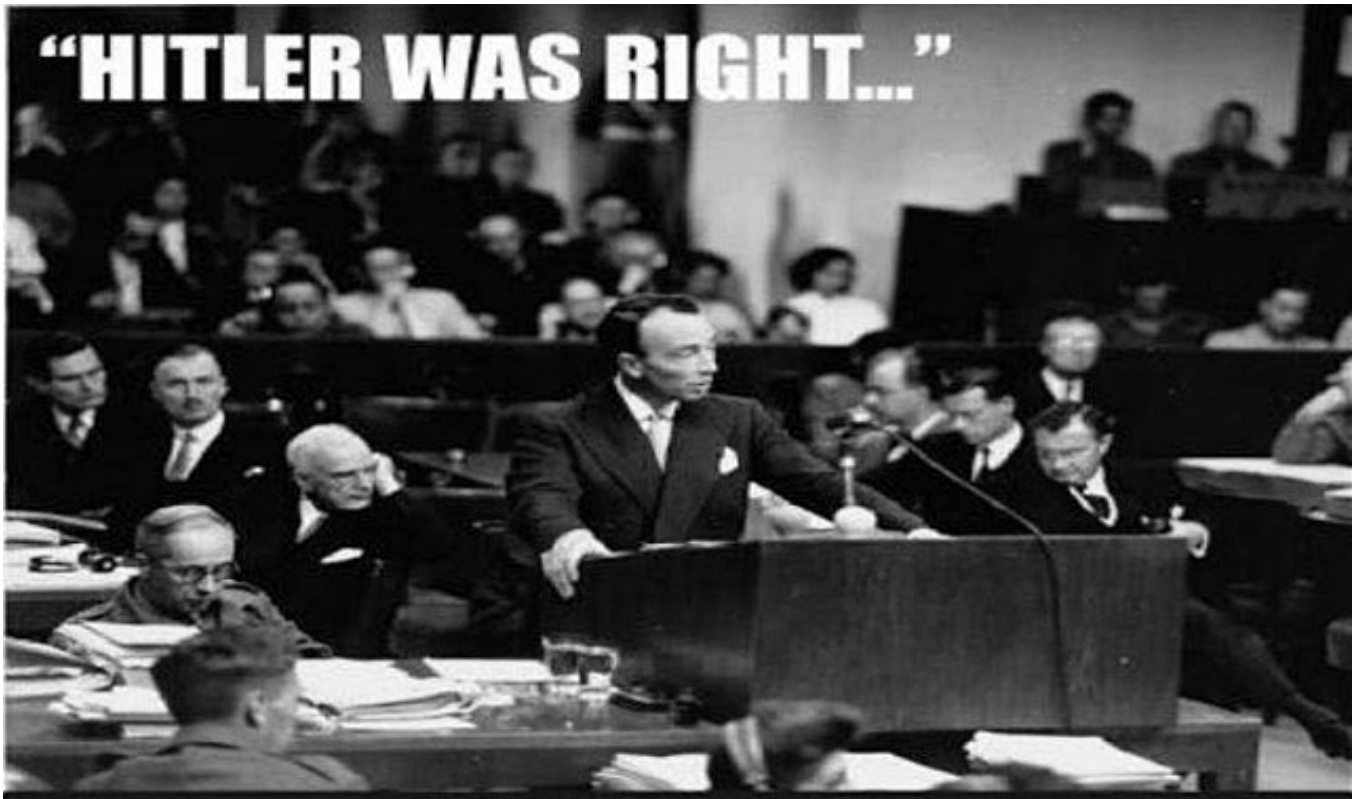
Please read the below very carefully and think well upon it!

In a sermon uploaded directly to his Liveleak account on 20 November 2013, Rabbi David Touitou, a French-speaking Haredi rabbi stated the following;

"You will pay dearly for it Europeans! To such an extent that you have no idea! And you will have no place to run to. Because all the evil you have done to Israel [the Jews], you will pay for it a hundred-fold. When Italy will be gone, when Edom (that is why Christianity's headquarters, which come from 'Hessal', is there), when that place will be gone, and that's what Islam is going to do. Islam is the broom of Israel, you have to know it. So, instead of having us do all the job, He sends Ishmael to solve the problem. When he is going to clean all this and that the wine will come back home, then it's Melah Ramachiar(?).

"The war of God and Magog, this furious war that we are all waiting for. The Rafet Israim(?) said: 'Do not expect to see anything other than Islam stand up against Edom [Europe/Christendom].' According to the Rafet Israim(?), the Gog and Magog war is that Islam in Europe will rise as one man and they have everything to succeed. This war in the world we live in is necessary. Why is it necessary? Because one is going to use the other so that Israel does not enter war, and this will cause Ishmael [Arab world] to rise against Islam.

"What you are undergoing in France, in Europe, which is so scary, it should be for us the most beautiful news of our Jewish history. Finally, we begin to approach it! Finally, we begin to realize what the sages had predicted before. What I told you before is written in Sanhedrin [book of the Talmud]. The Messiah will come only when Edom, Europe, Christianity will have fallen completely. So, I am asking you the question: Is it good news that Islam is invading Europe? It's excellent news! It's announcing the arrival of the Messiah! Excellent news!"



"I believe now that Hitler and the German people did not want war. But we declared war on Germany, intent on destroying it, in accordance with our principle of balance of power, and we were encouraged by the **JEWS** around Roosevelt. We ignored Hitler's pleadings not to enter into war. Now we are forced to realize that Hitler was right."

- Sir Hartley Shawcross, British Attorney General, Senior Nuremberg Prosecutor - March,16th, 1984
